

Caritas Chong Yuet Ming Secondary School
Information in 2024/2025 Secondary One Discretionary Places Application

1. School Aims: The motto of our school is “Be faithful, diligent and stay simple. Love God and one another”. Our school is committed to provide student-centered education services to help our students explore their potential and achieve balanced development in moral, intellectual, physical, social, aesthetic and spiritual aspects.

2. School Characteristics: Our school is a catholic secondary school with long history. The ethos of the school is simple, harmonious and orderly. We have won the Caring School Award for more than a decade. Our teachers enthusiastically teach, guide and care for our students. Our school is a value-added school, and the academic results of our students in the Hong Kong Diploma of Secondary Education Examination (HKDSE) have been continuously improving. Our graduates get an encouraging amount of degree offers while many of them have been admitted for undergraduate studies at local universities. To act in concert with the needs of the modern society, we emphasize on initiating students’ creative thinking, enhancing their multi-intelligence development and the development of “digital humanities”. Our school sponsoring body highly promotes the “Caritas Vocation, Professional and Moral education scheme” which provides a progressive ladder among the practical courses offered by the tertiary institutions and universities.

*** To provide better care to our students, we provide school bus service to serve students living in Sham Shui Po District, Northern District and those cross-bordered students.**

3. Medium of Instruction: Our school adopts Chinese as the medium of instruction in the majority of subjects. We also place strong emphasis on enhancing students’ English proficiency. English extended learning activities (ELA) are conducted in Mathematics, Integrated Humanities, Integrated Science, Geography and Computer Literacy in all junior classes. English Language and content subject teachers co-organize cross-curricular English enhancement activities in order to provide an enriched English learning environment for our students.
